## HINKLEY LIGHTING EARNS MULTIPLE AWARDS JUNE LIGHTOVATION

Cleveland, Ohio (July 12, 2017) – Hinkley Lighting earned two Market Choice Awards at last month’s Lightovation, Dallas’ International Lighting Show. The company entered products into three categories – Bath, Chandelier and Outdoor – and took home the top spots in Chandelier and Outdoor with its Heywood and Beckett collections.

“We’re ecstatic to have won two Market Choice Awards considering the large pool of entries,” says Jess Wiedemer, president. “Winning awards like these further fuels our drive to design and release innovative lighting that differentiates us in the market.”

Heywood is a rustic, globe-shaped chandelier constructed with wood, metal and rope for layered texture. Beckett is from Hinkley’s outdoor Open Air line of products, which are wet or damp rated and draw inspiration from interior style. Beckett combines a sturdy mesh shade interspersed with solid wood uprights for an industrial and rustic appeal.

The Market Choice Awards are sponsored by *enLIGHTenment* and *Lighting & Décor* magazines, and recognize the top products debuted at Lightovation in the Bath, Ceiling Fan, Chandelier, Outdoor, Portable Lamp and Technology categories.

Hinkley launched 12 new collections at June Lightovation and published an advanced release of its 2018 full line catalog. The catalog contains more than 3,000 items, with a mix of more than 200 new chandeliers, pendants, bath and outdoor products, and unique editorial content. Hinkley also celebrated its 95<sup>th</sup> anniversary at the event.
